Education

Sep 2019 - May 2023 ■ **Business Information Systems**
Westminster International University in Tashkent, Tashkent

Employment

Aug 2023 - Present ■ **Python Support Teacher**
Najot Ta'lim, Tashkent
I reviewed and evaluated python projects created by students.
I tutored students and explained topics they were struggling with.

Mar 2022 - Aug 2022 ■ **Python Backend Developer**
Novalab Tech Company, Tashkent
I developed backend part of mobile and web applications in Python and collaborated with frontend and mobile engineers to develop REST APIs
